

# SEE HIM FACE TO FACE

INTRO: | C | Em | D | Em |

## VERSE 1

          C                          Em  
O my soul the sorrows you bear  
                          D  
Teach you to wait  
                          Em  
for the age that is coming  
          C                          G  
No more fear darkness or pain  
          D                                  Em  
Death is conquered and Jesus will reign  
          C      Em                  D  
See his wounds healing the broken

## CHORUS 1

          G  
O my soul  
                          G<sup>add9</sup>/B  
Long for the day  
                          C<sup>maj7</sup>      Em      D  
When you see him face to face  
                          Em                          G/B  
See the scars the nails have made  
          C          Em      D  
As he wipes your tears away

## VERSE 2

O church lift up your gaze  
All you who dwell  
in the shadow of darkness  
Set your eyes on glory to come  
Know that Jesus has already won  
See his wounds the promise of heaven

## CHORUS 2

O church  
Long for the day  
When you see him face to face  
See the scars the nails have made  
As he wipes your tears away
