|: Bm | G | D | A :|

VERSE 1

Bm
You called my name

G D A
before You formed the earth.

Bm
You saw my frame,

G D A
knit me together with a word.

G D
You designed my heart to know You,

A Bm
breathing life into my bones,

G D/F# A
Forever You have loved me as Your own.

CHORUS

G D/F#
You are my Father, I am Your child.

G Bm A
Loved and accepted, nothing could separate us now:

G Bm D/F#
adopted forever, purchased with blood.

G^{maj7} A D | G | D | A |
You are my Father and I am a child of God.

VERSE 2

Bm
You know my need

G D A
before I ever call.

Bm
You guide my feet,

G D A
teach me to plant my steps in Yours.

G D
And you comfort and protect me

A Bm
with new mercies day by day.

G D/F# A
You know my weakness, yet Your love remains.

VERSE 3

Bm
And when I fall

G D A
and wander from Your ways —

Bm G
ashamed by it all,

D/F# A
fearing I've squandered all Your grace:

G D
then I turn and see You running

A Bm
with forgiveness in Your gaze —

G D/F# A
still I'm welcome in my Father's embrace!
